Memo: 19.001

Indian River County is proud to partner with Embry Riddle Aeronautical University's Gaetz Aerospace Institute (GAI) to use aviation, aerospace, and engineering to capture students' imaginations. Indian River County high school students can be officially registered in Embry-Riddle Aeronautical University (ERAU) courses that will reflect on their college transcripts via dual enrollment. These courses are taught at the high school campus and reflect the pedagogical and philosophical orientation of ERAU. Don't miss this exciting opportunity to build your aviation/aerospace pathway!
