## Want News, Events, and Notifications from Schools?

You can easily subscribe to schools by clicking **Settings** -> **Select Schools** and selecting your school, or schools, in the mobile app. You can also unsubscribe by unselecting the button next to the school name.
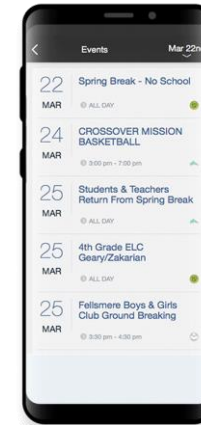

*Make sure you get notifications from the SDIRC MobileApp by selecting **'Allow Notifications'** in your mobile phone settings.*

Looking for the Latest News?

Click '**News**' to read the latest stories from the district and schools you are subscribed to. You'll also receive notifications of important news as soon as it's posted. You can even share the news on social media!

Looking for Upcoming Events?

Click '**Events**' for a list of upcoming dates for the district and any schools you are subscribed to. You can click the event to get further details, or add it to your personal calendar.
