ABOUT THE SCHOOL

Storm Grove Middle school is a STEAM school, focused on the Environment and the Arts. While STEAM is Science, Technology, Engineering, Arts and Math we wanted to focus on the whole student, so we created a play on words with STEAM including Social Skills, Teamwork, Environment, Accountable and Mindful. We are taking a project-based approach where students will work collaboratively on a project based on the environment. Students will incorporate whichever art they find their strength, whether band, orchestra, drama, chorus, speech, marketing or traditional art students will be able to express themselves in their work.
