

# Focus Group: **Strategic Partnerships**

School District of Indian River County – Strategic Plan

February 2020

## Goal 5: Strategic Partnerships

Building strong partnerships with all stakeholders in our community is vital to our success.

## *Excellence*

What specific outcomes would you see if we achieved “Excellence” in the area of “Strategic Partnerships?”

## *Shining Stars*

What is going well? Where are you seeing progress?

## *Troubled Waters*

What are areas in need of improvement or of ongoing struggle?

## *Additional Feedback*

What other feedback would you like to share? What are areas of strength or areas of improvement as related to your participation in this feedback session?

Objective 5.1: (Families) We engage families as the most important partner in the education of our students.

# Feedback Protocol

## Steps

1. Each participant will individually brainstorm and write responses to the questions presented on their individual legal-sized feedback sheet. (2 minutes)
2. In round robin style, the **facilitator** will have each participant share, in 30 seconds or less, their reflections in response to the question. (30 seconds or less for each participant)
3. After all participants have shared their reflections, the **facilitator** will guide the team through identifying common themes in the reflections. (3 minutes)
