Pelican Island Elementary School

1355 Schumann Dr., Sebastian, FL 32958

Principal: Chris Kohlstedt

The School District of Indian River County has established a multi-metric School Report Card for each school. The purpose of the School Report Card is to give a broader picture of how our schools are performing on a variety of indicators, beyond just the School Grade provided by the Florida Department of Education. The data used to determine the status of each indicator is presented on the following pages. Some indicators may have additional data presented that is not used to calculate the indicator status, but is included for informational purposes.

Note: Definitions for each indicator can be found in the Appendix. Technical data definitions and frequently asked questions can be found on the School Report Card homepage.

School Profile

Mission: In order for students to reach their full potential, both academically and socially, our mission at Pelican Island Elementary is to develop lifelong learners who will be able to effectively read, write, listen and speak, by utilizing a balanced literacy plan across all curriculum areas.

Vision: Our Vision is to prepare our students for college and career choices in a competitive 21st Century global economy by providing research based differentiated instruction that addresses the needs of all learners in a safe, educational environment aligned to the Florida Standards and supported by technology, real life applications and targeted professional development.

Pelican Island Elementary is the best school in the District. We are a Community-based, Environmental campus that provides a variety of hands-on activities, both academic and extra-curricular, where students discover, problem solve, and research new concepts each day. We use an inquiry approach to teaching the core content so that students can develop skills that they can continue to use independently, well beyond their Elementary years.

Indicator Definitions for School Report Cards

School Grade: The actual School Grade assigned by the Florida Department of Education.

Parent Satisfaction Grade: Based on parent responses to the school parent survey question: "What grade would you give your child's school?"

Gains:

2015-2016: In this year, the Gains indicators were comprised from the following two data sources: For grades 4th through 12th, gains are determined from the Value-Added Model score provided by the Florida Department of Education. For grades Kindergarten through 3rd, gains are determined from the student performance on the nationally normed SAT10 assessment.

2016-2017 and 2017-2018: For these years the Gains indicators were comprised from the following data sources: For grades 4th through 12th, gains are determined from the Value-Added Model score provided by the Florida Department of Education. For grades Kindergarten through 3rd, gains are determined from the student performance on the i-Ready Assessment.

Student Attendance: The average daily student attendance rate.

Student Discipline: The percentage of students who were assigned at least one day of out of school suspension.

Moonshot Moment: Based on how the school is progressing towards achieving the Moonshot Moment goal of having 90% of all third graders reading on grade level by 2018.

Gateway Performance: The gateway indicator reflects how well students are performing on the 5th, 8th, and 10th grade statewide, standardized English Language Arts Assessment compared to the state average.

Teacher Attendance: The average attendance rate of teachers, not including absences due to military leaves, jury duty, Family Medical Leave, temporary duties, and/or worker's compensation.
