

# MATHEMATICS INSTRUCTIONAL MATERIALS COMMITTEE

SDIRC will be going through the Florida Instructional Materials Adoption for Math K-12 and is in the process of forming an Instructional Materials Adoption Committee.

The committee will meet three times and participate in the Textbook Extravaganza. The committee meetings are open and we welcome a variety of feedback as we go through the process of reviewing and recommending our Math Instructional Materials.

## Committee Member's Responsibilities:

- Participating in all meetings
- Reviewing materials and completing rubrics
- Facilitating school-based review of materials
- Collecting and analyzing data from school rubrics
- Collaborating and participating in discussions
- Making recommendations to the Superintendent

## Committee Meeting Timeline:

- September 27, 2021 from 4:00 – 6:00 in the TEC  
– Review timelines, establish procedures, select committee chair
- October 25, 2021 from 4:00 – 7:00 in the TEC  
– Publisher presentations to the committee
- November 1, 2021 from 4:00 – 7:00 in the TEC  
– Textbook Extravaganza(Open to Public)  
Publishers display products and are on hand to answer questions.
- December 13, 2021 from 4:00 – 6:00 in the TEC  
– Committee reviews rubrics and decides on materials to be recommended for adoption to the Superintendent

To join the committee, please email
