

October is National Bullying Prevention Month

**DON'T STAND BY, STAND UP!**

**STAND UP TO BULLYING – BE KIND – STRONGER TOGETHER**

## **Bullying Prevention Poster Contest**

1. To educate and raise awareness, we are encouraging all SDIRC students create a poster that shows what YOU can do to prevent bullying and to promote kindness and respect. Here are the guidelines:
2. Design a poster related to bullying or cyberbullying prevention using 12in x 18in construction paper and attach the bottom portion of this flyer to your poster.
3. Be creative! Be colorful! Be YOU!
4. Include a POSITIVE slogan—examples include: “Be a Buddy, Not a Bully”, “Caution: Kindness Ahead”, “Friends Don’t Let Friends Become Bullies”, “Don’t Let a Cyberbully Push Your Buttons”. Another suggestion is to consider your school-wide expectations.
5. Submit your entry to your school counselor by Friday, October 22, 2021. Schools must submit all entries to the District Lead School Counselors no later than October 27, 2021. The top three winners in each category, elementary school, middle school, and high school, will be recognized at an upcoming School Board meeting.
