

CareHere is now Premise Health.

Welcome to your new health home.

School District of Indian River County Health and Wellness Center has joined the Premise Health family. What does this mean for you?

You're in good hands.

We pride ourselves on quality, which means you'll receive the same if not better care at your wellness center under the Premise Health name.

You're getting new services.

We're pleased to share that as part of the transition, your employer has added virtual visits, behavioral health, etc. to your available benefits.

Your providers aren't changing.

We believe good relationships lead to better care. That's why the same providers you know and trust will continue to serve your healthcare needs.

You're getting a new patient portal.

The CareHere portal will be replaced on 09/27/2021 by My Premise Health, which means you'll need to re-register to stay connected with features like online appointment scheduling.*

*You will have read-only access to your CareHere portal and patient data until March 2022. Your medical records will always be available upon request.

Learn More

Stay tuned for instructions on how to sign up for My Premise Health. To learn more about the transition, visit members.premisehealth.com/carehere.

Who is Premise Health?

Premise Health is the nation's leading direct healthcare provider. We are honored to be your new partner in health. We share the same vision as CareHere regarding patient experience and care. You'll notice a preventive approach and a commitment to delivering the best possible experience for our members.
