

Homeschool Families School Messenger 11/5/2021

Good afternoon homeschool families,

I have four pieces of information to share out with you this afternoon.

The next SDIRC College and Career Expo will be held Tuesday Nov. 9th from 6-7:30 pm at Sebastian River High School. There are several great sessions for college bound students to attend.

The next Homeschool Forum will be held December 1st at 5pm in the District Office Joe N. Idlette Teacher Education Center. The topics covered will be Florida Statewide Assessments for Spring 2022 and The Focus Parent Portal.

If you have a high school aged student who needs to take a State End of Course Assessment in the Winter 2021 make up window (Algebra 1, Geometry, Biology, US History) or a senior who would like to take the Florida Civic Literacy Exam, please sign up at <https://SDIRC.info/EOCW21>. Please sign up by Nov. 22nd at 5pm to ensure you have a seat on the right date and location for the testing you need.

If you are interested in taking any online classes with Indian River Virtual School for the spring semester, enrollment is now open. Please contact IRVEnrollment@indianriverschools.org with your student name and a contact phone number and the IRVS school counselor will contact you. You can see course listings at virtual.indianriverschools.org.

As always, feel free to call the homeschool office at 772-564-3124 or 772-564-3033 for further support.
