Already a member? This section includes a "Login to Secure Site" button and a "Register Now" button. Below these buttons, it asks "Not registered with Aetna yet?" and provides a "Why Register?" section. It states, "You will be able to find all your coverage information online when you need it." and "Searching as a member is better". Under "You Can:", there are three bullet points: "Get results for your plan", "View cost estimates", and "Select a primary care doctor".

Continue as a guest This section prompts the user to "Please enter your home location (zip, city, county or state) to access providers specific to your plan benefits." It features a text input field labeled "Enter location here" and a note: "Travelling? You can change your location after you select your plan". Below this is a "Look within" section with a slider ranging from "0 Miles" to "100 Miles", currently set at "25 Miles". A "Search" button is located at the bottom right of this section.

5. Within the call out box scroll all the way to the bottom to “**Dental PPO/PDN with PPOII and Extend network**” and click continue to search for dentist
