**DOES YOUR CHILD NEED IMMUNIZATIONS
FOR SCHOOL?**

Does my child need immunizations to start this school year?

- *Certain vaccines are required to start kindergarten*
- *A T-dap vaccine is required to start 7th grade (if routine vaccinations are up-to-date)*

Free school vaccinations for children ages 2 months to 18 years who are eligible through the Centers for Disease Control's Vaccines for Children's program.

Immunizations will be offered at the Health Department located at 1900 27th Street Vero Beach 32960

on a walk-in basis during the below dates and times.
